

# AOC COMMUNITY MEDIA TRACKS & STATIONS

## AOC 101: *Free*

This station serves as an open house and orientation for people new to AOC. Participants will discover the benefits of joining AOC, what they can do at AOC, as well as how to successfully reserve use of AOC's resources. Participants can also leave as brand-new AOC members.

*Oct. 4 @ 6:30pm, Nov. 4 @ 6:30pm, Dec. 6 @ 6:30pm*

## Computer Skills: *Free*

This mini-station is performed 30 minutes before stations that require this mini-station as a pre-requisite, but it is also given on a walk-in basis. Participants must have a working knowledge of computers before moving on to most other stations.

## Social Media: *Free*

Learn to navigate, connect, post and share on several of the most popular social media websites. Computer Skills station is required.

*Oct. 17 @ 6:30pm, Dec 1 @ 6:30pm & Nov 12 @ 3:30pm*

## Program Submission: *Free*

This station explains how to effectively submit programming with the correct name, find re-plays and turn in proper paperwork. Emphasis is also placed on submitting content to AOC's video aggregation site vAOC.tv. Available by appointment.

## Camera: *Yellow Kit \$20, Red Kit \$30, 700, \$50 members / Y-\$35, R-\$45, 700-\$65 non-members*

All scheduled stations teach participants how to use our more sophisticated yellow and red kits. If you wish to learn about our 700s, then you must make an appointment with a staff member. A pre-production meeting is also required. Our green kits do not require attendance at a station to reserve.

*Red Kit - Oct. 13 @ 6:30pm, Nov. 10 @ 6:30pm & Dec. 10 @ 3:30pm*

*Yellow Kit - Oct. 26 @ 6:30pm & Dec. 27 @ 6:30pm*

## Editing with Final Cut Pro: *\$25 members / \$40 non-members*

Intro to FCP 7 - This is a beginners' class that introduces you to the program most used for editing in the AOC environment. It is a great place to start if you've never edited anything before; it's also a great refresher if it's been awhile. Computer Skills station is required before admission to this station.

*Oct. 4 @ 6:30pm, Nov. 15 @ 6:30pm & Dec. 2 @ 2:00pm*

TABs: *\$10 members / \$25 non-members*

**Intro to FCP** and **Computer Skills** are required for admission to any TAB session. TAB stations can be grouped together in a special Advanced Editing Track. Please contact the Education Coordinator for assistance in building this track for you. Others are also welcome to individual TAB sessions which are offered month to month. TAB workshops will teach you how to perform specific tasks in Final Cut Pro. They will also assist you in learning shortcut keys that can come in very handy while editing.

- TAB 1 - Browser
- TAB 2 - Viewer
- TAB 3 - Canvas
- TAB 4 - Sequence
- TAB 5 - Motion
- TAB 6 - Audio Mixer

## TV Studio: *\$10 members / \$25 non-members*

This session will give you a working knowledge of everything Tricaster. This is a hands-on station designed to put you in the director's chair from the start. No prior knowledge is required.

*Oct. 13 @ 6:30pm, Nov. 3 @ 6:30pm & Dec. 3 @ 6:30pm*

## Multi-Purpose Room: *\$25 members / \$40 non-members*

A pre-production multi-purpose meeting is required with AOC staff members before registering for this station. You must have your crew present at the station.

## Lighting 1: *\$25 members / \$40 non-members*

This station combines several points of learning with the ultimate goal of understanding the basics of lighting. The station includes sections on three-point lighting, theory, perspective, light placement and using available resources.

*Oct. 18 @ 6:30pm, Nov. 12 @ 2pm & Dec. 15 @ 6:30pm*

## Lighting 2: *\$25 members / \$40 non-members*

This station teaches participants how to successfully use AOC's ARRI Light Kits. Participants will be required to set up and break down the lights and show their understanding of safety and proper care of the kit.

*Oct. 20 @ 6:30pm, Nov. 17 @ 6:30pm, & Dec. 28 @ 6:30pm*

## Audio Booth: *\$25 members / \$40 non-members*

Let AOC teach you all there is to know about how to record great audio, how to project your voice, and how to save your files correctly. Also learn how to use iStream and how to podcast. Computer Skills station is required.

*Oct. 11 @ 6:30pm, Nov. 29 @ 6:30pm & Dec. 13 @ 6:30pm*

## Field Audio: *\$10 members / \$25 non-members*

Audio in the field can be tricky, and it can make or break your shoot. Make sure that you have the proper equipment and have the knowledge you need for an interview or a documentary scene.

## Field Shoots: *\$10 members / \$25 non-members*

Sign up for a shoot with other AOC Community Media members to cover local events in your own community. This is a great way to get hands-on experience whether you are a newbie or expert. On the shoot, elements of digital story-telling will be discussed. You can then use your footage for any of our editing stations you register for and create a masterpiece.

## Intro to Motion: *\$25 members / \$40 non-members*

Computer Skills station is required. This session will assist you in building unique lower thirds using shapes, masks and texts.

*Oct. 19 @ 6:30pm & Nov. 14 @ 6:30pm*

## Learn & Burn: *\$10-25 members / \$25-40 non-members. Price varies based on project.*

Learn which program (iDVD or DVD Studio Pro) is better for your project. Learn how to create professional-looking DVDs that include customized menus and chapters. Computer Skills station is required.

*Oct. 25 @ 6:30pm, Nov. 8 @ 6:30pm, & Dec. 12 @ 6:30pm*

## Custom Tracks: *Prices Vary*

Combine any stations you need or even work with staff members directly to build a unique track to fit your needs.

*Oct. 25 @ 6:30pm, Nov. 8 @ 6:30pm & Dec. 12 @ 6:30pm*
